## **2013 - 2014 Eligibility Rules & Guidelines**

### **Background:**

USTA Tennis On Campus was designed to increase recreational tennis participation and provide socially-competitive coed team play for students on college campuses. While we try to be inclusive to ensure maximum participation, we also recognize the impact that former varsity players can have at our championship events which can greatly affect our intent. We have made some rules and guidelines which limit former varsity player involvement and you should read the following guidelines to avoid penalty or sanctions against your team.

**If the correct answer to any of the questions below is YES, you are INELIGIBLE for the 2013-2014 academic year for the following USTA Tennis On Campus Events & Championships:**

**USTA Tennis On Campus Fall & Spring Invitational  
USTA Tennis On Campus Leagues, Regionals & Sectionals  
USTA Tennis On Campus National Championship**

- 1. Were you listed on a 2-yr or 4-yr college varsity tennis roster (squad list) or USTA Tennis On Campus Roster prior to Fall 2005? (This includes any year you may have red-shirted)**
- 2. Were you listed on a 2-yr or 4-yr college varsity tennis roster (squad list) for over 3 weeks (21 days) from August 2013 to the present time?**
- 3. Were you on any college varsity tennis team for more than three years?  
If yes, when was the last season you played? (If during the 2012-2013 school year, then you are ineligible for the current academic year)**
- 4. Are you an undergraduate and enrolled in less than 1/2 time enrollment status?**
- 5. Are you a graduate student taking less than 6 credit hours?**
- 6. Will this current academic year be your 7th combined year of participation in USTA Tennis On Campus events and/or listing on a 2-yr or 4-yr college varsity tennis roster (squad list)?**
- 7. Have you received prize money for participation in a tennis tournament which exceeded your participation expenses?**

### **PLEASE NOTE:**

- If you were listed on a college varsity tennis roster or squad list for 1 year or less for any previous academic year after 2005 you are not considered a former varsity player.**
- At USTA Tennis On Campus Leagues, Regional, Sectional, Fall & Spring Invitational and National events there is a limit of one former varsity player per team. A former varsity player is defined as a player who has been on a 2-yr or 4-yr college varsity tennis roster (squad list) for more than 1 year.**

### **Penalties & Sanctions:**

If a player on your team is found to be ineligible for any of these rules at any time, that player and/or team is subject to immediate default or disqualification for these events at the discretion of the tournament director / committee. If you have questions about these rules / guidelines please contact your Section TOC Coordinator (see Contact Us)
