* Best Winning % Wildcards will go to the top two 2nd place teams with the best winning percentage (Games Won/Games Played) after Pool Play. Determination of what line each of the 2nd place teams will be placed on will be drawn from a hat once calculations have been totaled. If a 2nd place team who advances was in Pool A or B, they will be placed on the opposite line, so that they are not playing the same teams again.
