- [Common IM League Questions](#)

o If a player's name is crossed out on IM Leagues, that means they have not yet completed all of the required forms. By clicking on the "detailed view" slide, you can view which form(s) still need to be completed.

o If the site will not allow the player to fill out the required forms or join the team, this is probably because they have not yet joined the NIRSA Championship Series network. In the top left corner next to the home button is a drop-down box. Click on that drop down box and choose the option "add network." You can then search NIRSA Championship Series and click "join network."

o There is a live support button at the bottom of the screen in the blue section. If you're experiencing a technical difficulty with IM Leagues, you can click on that button and live chat the guys at IM Leagues.
